

## Useful Web Sites for Pond Information

Douglas County Extension: [www.douglas.ksu.edu](http://www.douglas.ksu.edu)

Look under “Crops and Livestock,” “Program Library,” “Ponds” to find the following two booklets:

Aquatic Plants and Their Control

Producing Fish and Wildlife from Kansas Ponds

Texas A&M: <http://aquaplant.tamu.edu>

This web site has excellent photos and descriptions of pond weeds to help you identify them.

USDA NRCS: <http://www.nrcs.usda.gov/>

You can find the booklet, “Ponds- Planning, Design, Construction,,” on the web site by typing the booklet name in the “key word” box on the home page.
