

**DCCD Conservation Conversation**

# **Urban Wildlife Damage**

**Thursday, May 11th, 2017 7:00 p.m.**

**Flory Meeting Hall, Douglas County Fairground, 2110 Harper, Lawrence**

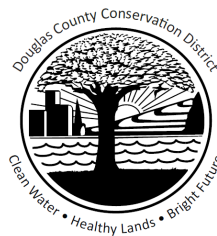

Sometimes wildlife is not appreciated in your garden or landscape. Nuisance problems and possible solutions from moles, voles, and other critters that dig holes or eat your stuff will be discussed.

Charles Lee, Wildlife Specialist with K-State Research and Extension, will share insight that he has gained working with homeowners across the state.
