

2020-2021 4-H Citizenship Award

The recipient of the 4-H Citizenship award goes to Hayden Slough of the Four Leaf Clover 4-H Club. This is Hayden's seventh year in the Citizenship project. Hayden has always enjoyed the citizenship aspect of 4-H and serving in his community. At the club level, he shopped and wrapped Christmas gifts for the adopted family, decorated tree donation ornaments for the Lawrence Festival of Trees, and served on the club banner committee, helping complete their banner for the county fair.

Hayden served his community by delivering food and supplies to elderly friends who were not comfortable going out. He spent time doing handiwork and technology trouble-shooting for friends who did not feel comfortable having help from outside sources due to COVID. You could also find Hayden assisting at county day camps, managing the 4-H ambassador booth at the fair, promoting the Douglas County Fair on the radio, and assisting with raising the flag at the Lawrence band concert at South Park. Hayden is always looking for ways to incorporate citizenship in all his 4-H projects and his daily life.
