

2020-2021 4-H Spirit Award

The 2020-2021 Douglas County 4-H Spirit awardee is Lauren Seybold of the Four Leaf Clover 4-H Club. Lauren gives leadership in many club community service projects as well as holding club office positions. She provided guidance to younger members in the fiber art project, leading project meetings, assisting with the club project fair and helping members with talks and county fair preparations.

This past year, Lauren developed a virtual presentation to recognize the accomplishments of her fellow club members for her club achievement celebration. Even though members couldn't be together in person, Lauren made the meeting special, making sure members received the recognition they deserved.

As a 4-H council representative, Lauren actively participates by serving on the achievement celebration committee and serving as the 4-H council secretary. Lauren offers assistance at county day camps and always offers a hand when there is a job to be done. Lauren quietly goes about her 4-H work without fanfare or expectation of rewards but actively participates behind the scenes and is "Making the Best Better."
