

2020-2021 Friend of 4-H Award

This year's Friend of 4-H Award goes to Frontier Farm Credit. Frontier Farm Credit and its staff have supported the Douglas County 4-H program for many years.

They provide annual financial donations to both the Kansas 4-H Foundation and the Douglas County 4-H Foundation. For over 20 years, they have supported K-State Research and Extension's agriculture awareness event, Day on the Farm.

They support this outstanding program financially and provide volunteers to help organize and present workshops throughout the two-day experience along with our 4-H members.

Frontier Farm Credit can be found at the Douglas County Fair, distributing coupons to 4-H'ers for a free drink at the 4-H concession stand, providing water to 4-H'ers and their families, checking in exhibits, sponsoring t-shirts for exhibitors, and supporting youth at the livestock auction.

Frontier Farm Credit staff often serve as members of the Douglas County 4-H Foundation, K-state Research and Extension, Program Development Committee, and the Douglas County Executive Board.

On behalf of Douglas County 4-H, we would like to thank Frontier Farm Credit and the staff for all their dedication, hard work, expertise, and resources. They truly are dedicated to “Making the Best Better.”
