If you have special requirements because of physical, mental, learning, vision, hearing, or other impairment, please contact your county agent.

Food Safety
Please refer to K-State Research and Extension’s publication 4-H 712: Food Safety Recommendations for Acceptable Fair Exhibits to help you make informed, safe food decisions for demonstrations and for food service provided at 4-H Day.

Royalties
Royalties for one-act plays and other performances are the responsibility of the performer(s).

Use of Copyrighted Materials
Participants using copyrighted materials must attribute all such materials to the source.

Participants should also use caution in using brand names (product containers, labels, etc.) in their presentations. Any representations made about a trademarked product must include a disclaimer that the conclusions are that of the participant and not those of K-State Research and Extension.

Participants who will be copying material protected under copyright should take note of the Fair Use Doctrine which permits limited copying for educational purposes. Details can be found at http://www.copyright.gov/fls/fl102.html and http://en.wikipedia.org/wiki/Fair_use. Correct application of the Fair Use Doctrine is the responsibility of the participants.

Also note that it is possible to write to publishers of out-of-print materials, such as music scores, and receive written permission to make copies. Letters of permission should be attached to the copied material.

Dogs and Other Animals
Dogs and other small animals are not allowed to run at large or accompany participants anywhere except directly to and from their kennels and the demonstration room. Owners must provide an adequate kennel or caging for their animals. During the presentation, animals should be on a carpet square, towel, rug, or other covering.

No dogs in season are allowed to show.

Animals larger than dogs cannot be shown in the building. Work with your county agent to see if an outdoor demonstration is possible.

Facility Rules and Legal Considerations
No food or drink is allowed in carpeted rooms.
No explosives (rocketry engines), volatile substances, firearms or weapons, butcher knives, or straw allowed.

Goals and Purpose

County 4-H Day

1. Demonstrate the benefits and opportunities provided through 4-H by showcasing the 4-H’ers themselves.

2. Give 4-H’ers an opportunity to learn skills and gain confidence in their abilities to exercise parliamentary procedure, speak effectively, and give creative performances in the arts.

3. Place special emphasis on core 4-H skills such as parliamentary skills and oral presentations.

4. Give 4-H’ers an opportunity to participate as an individual, as part of a small group or team, and as part of a large group or club.

5. Recognize 4-H’ers and help them grow their skills by measuring all performances against a published standard of excellence (Danish system).

6. Recognize top performers by selecting them for further competition at Regional 4-H Day for events with regional categories and/or the State Fair for demonstrations/illustrated talks for competitors 10 and older (American system).

Regional 4-H Day

1. Demonstrate the benefits and opportunities provided through 4-H by showcasing the 4-H’ers themselves.

2. Give 4-H’ers an opportunity to learn skills and gain confidence in their abilities to exercise parliamentary procedure, speak effectively, and give creative performances in the arts.

3. Place special emphasis on core 4-H skills such as parliamentary skills and oral presentations.

4. Give 4-H’ers an opportunity to participate as an individual, as part of a small group or team, and as part of a large group or club.

5. Recognize 4-H’ers and help them grow their skills by measuring all performances against a published standard of excellence (Danish system).

6. Recognize as many top performers from the County 4-H Days as possible by providing for further competition in a multi-county 4-H environment to acknowledge their achievements (American system).

Each category of events and each individual event also have specific goals and purposes.
Recognition and Judging Models

Recognition
4-H’ers should be recognized for their participation by providing ribbons to all participants and awarding those ribbons by comparing the performance against the published standard of excellence (Danish system).

A pre-selected number of top performers in each County 4-H Day event should be further recognized by designating their performances as Top Purple or Alternate Top Purple. Top Purple participants are further recognized by allowing them to participate at Regional 4-H Day, with the Alternate Top Purple participants being offered this opportunity if the Top Purple performer is unavailable (American system).

Overview of Award Systems
The Danish judging system places entries based on a comparison between the entry and a published standard of excellence. All entries receive a placing and there is no limit to how many entries may be placed at a certain level. For 4-H Day, this is applied by awarding purple, blue, red and white ribbons.

The American judging system places entries based on direct comparison with other entries. In this case, there are a limited number of entries that can be placed at a level. In the case of 4-H Day, this system is only used to place designated numbers of Top Purple and Alternate Top Purple entries.

Ribbon Definitions
**Purple Ribbon**: Superior mastery of skills creatively or uniquely presented demonstrating a level few have achieved. Very nearly matches the ideal represented by the published standard of excellence.

**Blue Ribbon**: Excellent mastery of skills resulting in quality work that is distinctly above average but may not be as original or creatively presented as expected for a purple ribbon.

**Red Ribbon**: Average performance showing average skill development. A participant should feel proud with a red ribbon. A red ribbon may be an indication that a participant is growing in skill but has not yet progressed to above average levels.

**White Ribbon**: Beginning skill level, perhaps because a participant is trying a new event and has not yet mastered basic skills. Trying something new is to be encouraged and a white ribbon should not be an award that discourages participants to try something new and to learn new skills.

No Top Purples will be given at Regional 4-H Day. Participants only will receive Purple, Blue, Red, or White ribbons.

*Note that if the majority of ribbons awarded are above average, it becomes difficult for 4-H’ers to recognize what an average performance is, to be eager to try new skills, and to strive for higher levels of achievement.*

Judging Model
The main job of judges is to help participants grow in their skills. This is best accomplished when judges write comments that are both encouraging and accurately describe the participants’ presentations. The score sheets for each event allow judges to see the criteria for the event and to comment based on those criteria.

Comments should be encouraging, sensitive, and specific. Telling a participant with poor eye contact that his/her eye contact is good is not helpful. Nor is overly harsh criticism that doesn’t acknowledge the skill level the participant has achieved.
Categories of Events

Parliamentary Presentations
The primary purpose of parliamentary presentations are to further the knowledge of parliamentary procedure – a core purpose relatively unique to 4-H – to help 4-Hers lead and participate in effective meetings and be prepared to further understand how our American system of government functions.

Events in this category are Model Meetings and Gavel Games.

Public Presentations
The primary purpose of public presentations is to further speaking skills – a core purpose of 4-H – so that 4-Hers may learn to communicate effectively with an audience. The focus is on oral presentation skills, not on performance or staging skills. Participants may be working to develop skills in effective persuasion or just be enthusiastic about sharing their interests with others.

Public presentations may include talks that show how (Demonstration), tell how (Illustrated Talk), tell about (Project Talk), persuade (Public Speaking), share (Show and Share), or interpret (Oral Interpretation and Historical Speech).

Events in this category are Demonstrations and Illustrated Talks, Project Talks, Public Speaking, Impromptu Speaking, Oral Interpretations (Readings), Show and Share, and Historical Speeches.

Talent Presentations
The primary purpose of talent presentations is to further 4-Hers’ confidence in working in front of an audience and to encourage the growth of skills in the performing arts. This category encompasses musical, dramatic, and dance skills with a focus on performance skills including piece selection, performing, staging, and costuming.

Events in this category are Instrumental Solos, Piano Solos, Instrumental Ensembles, Bands or Orchestras, Vocal Solos, Vocal Ensembles, Vocal Choruses, One-act Plays, Solo or Duo Acting, Skits, Other Theatrical Performances, Square Dance, Era Dance, Country and Western Dance, and Other Dance.

Rule, Scoresheets, and Resources

Each event has a rule sheet with suggested resources and a scoresheet. These are paginated so that they may be pulled from this document and distributed separately as needed.

Note: Complete rules for Gavel Games are found in the separate publication: The 4-H Gavel Games Handbook.
Event: Model Meeting

Objective(s): The 4-H Model Meeting has been used as a device for teaching 4-Hers proper organizational meeting techniques. Clubs are encouraged to plan a Model Meeting that depicts a typical monthly meeting of their 4-H club. The meeting may be designed to suit the needs and interests of 4-H club members.

Time Limit:
1. Time limit is 35 minutes maximum, excluding roll call. Roll call does not count against the 35-minute allotments so large clubs are not shorted on time because they take too much time for roll call.
2. Judge will deduct one ribbon placing if time is exceeded; 30-second grace period.
3. Meetings will be scheduled 45 minutes apart. Clubs should plan to set up, complete the model meeting, and exit the room in the 45 minutes allotted.
4. The judge will serve as the time keeper.

Equipment and/or Facilities Provided by Event Monitors:
1. One table and one easel will be provided in the performance room.
2. Flags and Gavel will be provided.

Equipment Provided by Participants:
The club will bring everything else.

Guidelines:
1. The group may be composed of any number of 4-H members and leaders. Cloverbuds may not participate in the Model Meeting. The presentation should give the impression of an actual 4-H meeting. Look at and talk to 4-Hers, not to the audience watching the presentation. All members are expected to participate in the meeting.
2. An agenda of the Model Meeting must be presented to the judge before the meeting is called to order. The agenda should include the following as spelled out on the judging score sheet with suggested time frames:
   - Opening ceremony and business meeting 12 to 14 minutes
   - Program 14 to 16 minutes
   - Recreation 4 to 5 minutes
   - Closing ceremony and announcements 2 minutes
3. The meeting may include a ceremony, which would be incorporated into time frames above.
4. During the Model Meeting, the secretary should take notes. After the meeting, the secretary must turn in the Model Meeting notes and the up-to-date secretary’s book. If more than one club is represented in the group, only one secretary’s book that of the Model Meeting secretary needs to be presented to the judge.
5. Recreation may be at any time during the meeting.
6. The club determines which officers sit up front during the meeting.
7. Performers should recognize this is a family event and choose costumes, themes, and performances that show respect for both the performers and the audience.

**Event: Demonstrations and Illustrated Talks**

**Objective(s):** Demonstrations and Illustrated Talks allow 4-Hers to share their passion for a project by showing how or telling how to do a project-related activity or skill. 

*Demonstrations* are defined as a “show-how” process involving doing or making something while giving an explanation. The demonstrator uses actual items, supplies, equipment, people, or animals while going through a process. There should be a finished product to show. Sometimes a finished product is not possible, but it does enhance a demonstration, is highly suggested, and may influence the ribbon placing. 

*Illustrated Talks* are defined as a “tell-how” process where the presenter uses visuals such as posters, charts, models, graphs, etc. to aid in emphasizing a point or to add interest while telling how to do something. Visuals are required in the “telling how.”

**Time Limit:**
- Juniors 10 minutes maximum
- Intermediate 10 minutes maximum
- Seniors 15 minutes maximum

Judge will deduct one ribbon placing if time is exceeded; 30-second grace period.

Event: Oral Interpretations/Readings

Objective(s): To use the performer’s vocal ability and limited movements to creatively explore and develop previously published work of literature for performance, making the selection interesting to see and hear.

Time Limit:
1. Time limit is 5 minutes maximum for Juniors and Intermediates and 10 minutes maximum for Seniors.
2. Judge will deduct one ribbon placing if time is exceeded; 30-second grace period.

Equipment and/or Facilities Provided by Event Monitors:
1. Lectern may or may not be available.

Equipment Provided by Participants:
Script, if used.

Guidelines:
1. There can be one performer (solo) or two performers working as a team (duo).
2. There will be the following divisions:
   - Junior: ages 7-9
   - Intermediate: ages 10-13
   - Senior: ages 14-18
3. The age of the oldest member determines the age division of competition.
4. The competitors will select all or a portion of a piece of literature – either prose or poetry. It can be humorous or serious.
5. The selection can original material or published material.
6. Competitors may cut the literature selection to fit the time limit.
7. The title and author of the selection should be noted in the speech. (A one-ribbon penalty is required for failure to do so.) The identification of the piece should be near its beginning but may follow a teaser or other background information.
8. A short section may be added to the presentation to explain the context of the selection, particularly if it is taken from a longer work.
9. No props, audiovisuals, or costumes will be allowed.
10. Scripts and/or books will be allowed.
11. Hands must not touch the floor and one foot must remain on the floor at all times.
12. The emphasis should be on oral interpretation. Thinking of a dramatic storyteller is a good example of what this event should look like.
13. The participant may read from a script or have the piece memorized.
14. Judge will serve as the timekeeper.
15. Performers should recognize this is a family event and choose costumes, themes, and performances that show respect for both the performers and the audience.

4-H Day Administration

Agent Duties
Agents should work with the organizing committee to be sure all details for judges, equipment, and facilities are arranged. This also includes:

▪ Having a clearly marked information table in the lobby to check in judges and direct participants.
▪ Having printed schedules available.
▪ Identifying a time and location for posting results.
▪ Having pencils and pens for the judges.
▪ Bringing sufficient score sheets for each event.
▪ Orienting the judges.
▪ Arranging for any special audio-visual equipment.
▪ Assisting participants who need special accommodations.

The sections for each event list the specific equipment for that particular event. Please refer to these lists for details. In general:

▪ Music rooms should have a piano or keyboard and a music stand. If available, a practice room should be designated.
▪ Model Meeting rooms should have, at minimum, a table and an easel.
▪ Gavel Games rooms should have all materials needed for the event, including a gavel, flags, tests, pencils, and blank agendas.
▪ Speaking rooms should have an easel. All speaking rooms should have timers, timepieces, and copies of the Timekeeper Instructions.
▪ Timers should be instructed on the proper hand signals to use for Impromptu Speaking (the only speech where hand signals should be given). All events, except music, require timing.
▪ Talent events require a staging area and a table and two chairs.
▪ Dance events require an appropriate surface and space for dancing.

Club and County Duties
Club duties are determined by each county for their 4-H Day. For Regional 4-H Day, counties are assigned rooms to monitor. Each county’s agent arranges for staffing and room monitors and may also need to provide the equipment for the room being monitored (easels, etc.).

Staffing should include at least an adult and a 4-Her to help check in competitors, make sure judges have what they need, and serve as a timekeeper where needed.

Schedule Book
The schedule book for 4-H Day should include the schedule for each event, room assignments, club assignments, menus, building maps, locations where ribbons will be distributed and where results will be posted, and any special facility rules.

It is suggested that the back inside cover be a facility map, that the back outside cover be the food service menu with prices, and that the front inside cover be a copy of the front inside cover of these guidelines. (Replace county codes with club codes for county use.)
