Volunteer Contract for EMG

Note: This is a one time contract and will remain on file with the EMG records

Volunteer Contract Kansas Extension Master Gardener Program - Douglas County

The Douglas County Extension Master Gardener (EMG) program is a volunteer program authorized and organized by K-State Research and Extension -- Douglas County in cooperation with Kansas State University. Volunteers are non-paid citizens of Douglas County who agree to abide by the rules and regulations established by the State, County, and local EMG Association.

Applicants agree to attend the prescribed basic training and perform an additional 40 volunteer hours for that first year. At least 6 of these hours will be on the Douglas County help line (Hotline). This will certify them as an EMG. Continued certification will require the member to complete 30 volunteer hours and 10 advanced education hours per year.

EMGs are advised not to advertise their names or their place of business, nor to be listed on the advertisements of business places as "*Extension Master Gardener.*" This is a Kansas State University public service program. Appearing as a commercial activity, having association with commercial products, or giving implied Kansas State University endorsements of any product or place of business is improper.

EMGs are expected to participate in all components of the planned program responsive to the reasonable requests of the county agent in charge, and respectful of the need for personal safety and the safety of others. An EMG should report any and all injuries or physical assault to the County Extension Agent as soon as possible. All certified and active EMGs are covered under the K-State Research and Extension - Douglas County general liability insurance policy when participating in an approved activity. This coverage is limited to \$500,000 per occurrence, which corresponds with the Kansas Tort Claims Act.

I have read the above policies regarding my services as an Extension Master Gardener volunteer and do hereby agree to abide by them. In addition, I am aware that there is a due process procedure available to me if I feel I have been wrongfully charged with a violation of program standards. I have also read the county guidelines regarding active/inactive status of EMGs and understand the requirements to maintain certification.

Note: This was signed and dated with your application to EMG. This is a reminder

only

Appendix C

Volunteer and Education Guidelines and Reporting

1) First Year Extension Master Gardeners

- a) During the first year following successful completion of the EMG course, EMGs must complete 40 volunteer hours on any of the current EMG approved activities.
- b) First year EMGs are encouraged to attend advanced training sessions, it is not required.

2) Extension Master Gardeners after the first year

- a) To maintain active membership in the Douglas County Extension Master Gardener association, members must complete thirty (30) hours of volunteer work each year.
- b) They must also complete ten (10) hours of continuing education. Education hours are offered after each regular business meeting, during evening classes sponsored by the Extension Office, advanced training at Kansas State University, and potential classes / programs offered for our Horticultural awareness. Note some of these need approval by the Douglas County Agent – Horticulture or EMG Coordinator.
- c) Volunteer and Education Hours are to be reported with as much detail as possible on or before Dec 31st.

3) EMG volunteers are viewed as “non-salaried” employees in order to be considered under the Kansas Tort Claims Act for recommendations/advice. The EMG program is a means of supplementing and extending the local horticultural Extension educational program. Thus, anything the EMGs do must first be a part of the local educational program. The first benchmark in determining the appropriateness of volunteer hours is, “Does this support the local Extension educational program?” Volunteer hours should be recorded for the specific activities on the time sheet. Miscellaneous activities and other descriptions are noted below.

4) Volunteer Hours are counted for

- a) Development of educational materials for use by EMGs
- b) Educational events and activities specifically supported by the Extension (for example, volunteering at the Douglas County fair, Farm Tour)
- c) Activities carried out by official EMG committees or officially sanctioned cooperative activities (such as Monarch Watch, Garden Tour, Farmers Market)
- d) Administration volunteer hours include the time required for continuation of the program (examples include: agendas, schedule development, committee reports, newsletter, meeting minutes, balancing the books)
- e) Attendance at a regular business meetings or board meetings does count as volunteer hours.
- f) Travel time does count toward the volunteer hour total. Travel time to and from approved activities, for both planning them and carrying them out, is reportable. Discretion should be used if the trip to the event includes other errands.

5) Three distinct elements should be part of any EMG volunteer undertaking:

- a) EMG volunteers relate to the education/volunteer concept, which involves learning from training and from volunteering. Thus, EMG activities should contain some educational or training value.
- b) EMGs relate to the importance or value of their projects. Thus, they should be able to

see a clear reason for the events and activities they support, which directly benefits the Extension and its clientele.

c) EMGs also relate to other EMGs and enjoy volunteering with others and working collectively to learn and form social bonds. Thus, EMG volunteer projects should be group oriented.

Appendix C (continued)

Hours are reported via the Kansasemg.org website

These are the current Categories and Sub-Categories for the Kansasemg.org hour reporting website. Note these are subject to change as activities evolve.

Category	
Sub-Category	
Administration	
EMG Board	Hospitality Committee
Mentoring	New class training support
Monthly meeting attendance	Newsletter - Monthly Update
Public relations	Other - explain
Resource Library/Historian	Hoop house administration
Advanced Training	
Douglas County	Hotline (1 hour max per day)
Manhattan KSU	Other - explain
Fund Raising	
Garden Art Development	Other
Plant Sales/Sharing	
Outreach	
Baldwin - Tom Swan Park	Demonstration Gardens Fairgrounds
	Downtown Lawrence Farmers' Market
Eudora Garden	Library Public Education Program
Hotline-Response Line	Junior Master Gardener program
Monarch Watch	Produce Distribution Program
Speaker's Bureau	KU Native Medicinal Garden
Other - explain	
Public Events	
Garden Show	
Garden Tour	Gardening workshops - specify
Other - explain	

NOTE:

The system will show and track a requirement of 30 volunteer hours and 10 advanced education hours for ALL enrollees.

Master Gardeners in Training need 40 volunteer hours and no advanced training hours. They can attend and report advanced training if they choose.

Travel time should be included when reporting volunteer hours. Travel time is not included when reporting advanced education hours.

Appendix D

COMMITTEE/ACTIVITY INTEREST

EMG's are encouraged to serve on committees, participate in activities of interest, and to indicate a willingness to serve as a committee chair or activity coordinator

Committees / activities are listed as they support the Mission of the Extension Master Gardeners.

- _____ **Garden Show** (planning and assistance for this one day Spring event in even years)
- _____ **Hotline** (assist with phone, email, and walk-in horticulture questions Apr – Oct)
- _____ **Educational Programs** (planning and arranging the monthly EMG meeting programs)
- _____ **Demonstration Gardens** (planning, planting, weeding, watering, and maintenance)
 - _____ **Fairgrounds** (Douglas County Fairgrounds, 2110 Harper, Lawrence)
 - _____ **Monarch Watch Waystation#1** (KU West Campus, 2021 Constant Ave.)
 - _____ **Tom Swan Park** (High and 8th Streets, Baldwin)
 - _____ **KU Native Medicinal Research Station** (1865 E. 1600 Rd., Lawrence)
 - _____ **Eudora Demonstration Garden** (CPA Park, 10 W 9th St., Eudora)
- _____ **Public Education and Outreach**
 - _____ **Farmer's Market** (Saturday mornings May-Oct. Staff EMG table for 2 hours)
 - _____ **Library Public Education Team** (organize library programs)
 - _____ **Public Speaker's Bureau** (organize speakers for local groups, or be a speaker)
- _____ **EMG Newsletter** (development and editing of the monthly UPDATE Newsletter)
- _____ **Jr. EMG Program** (after school horticulture and activities, currently at NY Elementary)
- _____ **Resource Library** (maintenance of the EMG library, publications, and Internet resources)
- _____ **Plant Sales** (donation, preparation, and display of plants for sale at events)
- _____ **Produce Distribution System** (assist with the distribution of food to the hungry)
- _____ **Hospitality Committee** (planning, set up, clean-up of the EMG social activities)
- _____ **Mentoring** (assist new class members with the training and EMG operations)
- _____ **Garden Art Development** (development and sales of items in support of EMG events)
- _____ **Public Relations** (assist in publicizing EMG events and activities using social/other media)
- _____ **Garden Tour** (planning, organizing, staffing, supporting this EMG fundraiser, odd years)
- _____ **Garden Tour Selection** (selecting, visiting gardens for the Garden Tour, even years)

I am interested in chairing the following committee: _____

Appendix E

Extension Master Gardener Officers for 2022

December *no meeting*

Appendix G

Extension Master Gardener Membership Roster

Membership Rosters are maintained in three places:

- 1- A spreadsheet, containing contact information and more. This is maintained by the Horticulture Agent and or the Horticulture Assistant. It is used for printed rosters and record of member status. It is not available to members.
- 2- A List serve email application through K-State. This is maintained by the Horticulture Agent and or the Horticulture Assistant. It is used for Emails to all current members. It is not available to members.
- 3- The www.ksuemg.org website application through K-State. This is maintained by the individual members and is available to members through their individual log on and password. The “My Group” section is a listing of all the Master Gardeners who have signed up to this website. It is not managed as to current or active members and may not be completely accurate. This list is maintained by the individual members.

The membership roster is NOT electronically distributed for confidentiality and the potential reception and use for illicit or commercial gain. Hard copies are available only to the current membership. If you need a hard copy or a list to use as a committee coordinator please contact the Extension Agent – Horticulture or the Horticulture Program Assistant. This roster will be updated as changes are made. Even then members will use this list respectfully.

Should you make changes to your contact information (address, phone, and email) it is necessary to contact the Extension Agent - Horticulture or the Horticulture Assistant.

Appendix H

Extension Master Gardener Monthly Meeting Schedule 2022

The following dates for the Monthly Meetings have been established for 2022. Monthly meetings will alternate Wednesday and Saturday mornings to allow maximum participation. The goal of this calendar is to provide advance notice for those meetings.

Business meetings will begin at 9:00 a.m. at the Douglas County Extension Office unless otherwise noted. The Educational portion will follow at approximately 10:15 am. Members will be notified ahead of time regarding changes in schedules and locations.

Advanced Education Programs for 2022 (note - all programs open to public)

- Wed, Feb 16th *Advanced Tree ID* (1.5 hrs), Kim Bomberger,
Sat, Mar 19th *Creating Livable Environments for Birds*, Chuck Otte, KSU
Wed, Apr 20th *Photography in the Garden*, Diane Guthrie
Sat, May 21st *Designing Outdoor Spaces*, Leslie Wren
Wed, June 15th *Designing with Native Plants*, Patti Ragsdale, owner of Happy Apples Native Plant Farm
Sat, July 16th *Making Sense of Latin Plant Names*, Caleb Morse, Collection Manager, R. L. McGregor Herbarium
Wed, Aug 17th *Maintaining Fruit Trees*, Matt Bunch, Giving Grove as part of KC Community Gardens
Sat, Sept 17th *Harvesting and Preserving Seeds*, Matthew and Nancy Kost, Buffalo Seed Co
Wed, Oct 19th *Changing Weather Patterns in Kansas*, Christopher (Chip) Redmond, KSU Meteorologist

Additional or alternate potential program topics and presenters should be submitted to the Vice-President, Douglas County Agent – Horticulture, or the Program Assistant.

Appendix M. Strategic Plan

Please see Strategic Plan at K-State EMG website.

2019 - 2023 Douglas County Extension Master Gardener Strategic Plan, approved November 2018	
Mission Statement: To share research-based, horticultural information with residents of Douglas County, in partnership with K-State Research and	
VISION ONE: VOLUNTEERS DEMONSTRATE ADVANCED HORTICULTURAL KNOWLEDGE.	
Action Statements:	
1 Provide at least 10 hours of Advanced Education at monthly meetings each year.	Assignment Board VP/Advanced Education
2 Share advanced education content on 2 topics of interest informally at each Demonstration Garden annually.	Demonstration Gardens
3 Provide a refresher class to explain current horticultural Hotline resources.	Hotline
VISION TWO: WIDESPREAD USE OF SUSTAINABLE GARDENING IS PRACTICED BY THE COMMUNITY.	
Action Statements:	
1 Establish a definition for "sustainable gardening practices" (SGP).	Board
2 Connect with 1 new community group (i.e., service club, church organization) to provide horticultural programs annually.	Public Education
3 Sustain partnerships with existing community groups (i.e., Junior Master Gardeners, Monarch Watch, Native Medicinal Garden) to provide education for their members and clientele.	Public Education, Junior Master Gardeners, Demonstration Gardens
4 Reassess best practices to provide Hotline services.	Hotline
VISION THREE: EXTENSION MASTER GARDENER (EMG) PROGRAM IS HIGHLY VISIBLE IN THE COMMUNITY THROUGH PERSONAL INTERACTIONS.	
Action Statements:	
1 Expand relationships with Common Grounds and Just Foods gardens.	Board
2 Establish EMG presence within Douglas County communities beyond Lawrence.	Board
3 Cooperate with community events (i.e., Farmers Market, Produce Distribution via Farmers Market to Just Foods, Monarch Watch plant sale, etc.) annually.	Farmers Market, Produce Distribution, Demonstration Gardens
4 Establish Lunch & Learn programs at Lawrence Public Library and other locations.	Public Education, Library
VISION FOUR: EXTENSION MASTER GARDENERS REFLECTS THE DIVERSITY OF THE COMMUNITIES IT SERVES.	
Action Statements:	
1 Identify the groups in our service area interested in gardening.	Public Relations
2 Establish a Gardening Social Network.	Public Relations
3 Host get-together of community gardening groups annually.	Social, Board
4 Fund scholarships for 3 qualified EMG registrants annually.	Board
5 Sustain Junior Master Gardener program and other annual EMG public events.	JMG, Annual Event Coordinators
VISION FIVE: EMG SERVES THE INTERESTS OF ITS VOLUNTEERS AS IT RELATES TO GARDENING.	
Action Statements:	
1 Identify 2 alternate sources of fundraising.	Board
2 Establish small group gatherings to increase member engagement.	Committee Coordinators, Class leaders
3 Review the handbook pertaining to priorities, committees and duties of executive board members and coordinators and succession planning.	Board
4 Establish and complete exit interview process with members choosing not to renew.	Mentoring, Staff Assistant
