

# EMG Garden Micro-Grant Fund Application 2024

Deadline: Applications must be received by October 1st.

If for any reason a question does not pertain to your project, please explain why or indicate any that are not applicable with "NA." Do not skip any questions.

Please type or clearly print application.

Please limit the length of your answers to the space provided.

Grant awards for 2025 are for up to \$500.00. Requests may be partially funded.

Conditions if awarded a grant:

- Funds must be expended by November 30<sup>th</sup> of the grant year.
  - A final report must be submitted by November 30<sup>th</sup> of the grant year, including participant demographic information.
  - Any signage or promotional material associated with the project must acknowledge the Douglas County Extension Master Gardener micro-grant program.

1. Project Description. Please describe the project for which you are seeking a grant. Specify whether you are starting a new garden or expanding an existing garden or garden program. Specify if the grant will be used for garden construction, garden maintenance, and/or garden programming.

2. Does/will your garden program have any special emphasis (for example: nutrition, science education, environmental benefit, serving a special needs population, art, vocational training, etc.)?

3. How many students or community members will participate directly in your garden program as a result of this grant, and how will they be engaged in the garden?

4. What is your project timeline?

5. Please tell us about any school or community volunteers and/or partner organizations who are/will participate in your garden project.
